DR. JOHN GRAHAM

In the various sections of Peel County are to be found men who are treading quietly in the daily round, performing a useful service for their fellowmen, whose lives, if opened to the knowledge of the general public, are filled with surprises. Such a man is Dr. John Graham, of Bolton, who, in his lifetime of 69 years, has been teacher, soldier and doctor, fulfilling in every department to the utmost degree, the divine injunction implied in the words: It is more blessed to give than to receive.

Dr. Graham was born in Wellington County, his parents, Duncan Graham and Catherine Oliver. He grew up in his birth-place, the little village of Bellwood, and received his primary education in S.S. No. 6, Garafraxa, and later, Toronto Normal School.

For the ten succeeding years, following his graduation from Normal, Dr. Graham followed the teaching profession, and became principal of Bolton public school in 1889, a position he held for two years. During that time, he was elected president of Peel Teachers' Association.

He was not content with his standing, and secured his honor matriculation at London, getting his first class certificate, and joining the staff of the public school at Whitby, where he taught for 6 years.

Born with an insatiable ambition, Dr. Graham next took up the study of medicine at Toronto University, graduating in 1904. For six months he practiced at French River,

DR. JOHN GRAHAM - 2

then went to Parry Sound for a year, and following that experience became house man at Grace Hospital, Toronto, where he remained for another year. He began the practice of medicine at Mono Road, and was busily engaged in building up a large country practice when the war broke out.

Dr. Graham joined up on July 8, 1915, as captain, and on crossing to England was made medical officer of the 74th, and then transferred to the A.D.M.S., with which he remained three months. His next move was to take charge of a brigade hospital, occupying this post for three months. Crossing to France, he was placed on the staff of the Third Field Ambulance of the First Division, another post in which he spent three months. He was then attached to the 14th Royal Montreal Regiment as M.O. During his attachment to the Second Field Ambulance at Hill 70, he was recommended for the Military Cross.

The war over, Dr. Graham returned to Peel county, and bought a practice at Bolton, where he has remained since, and where he occupies an unusually warm place in the hearts of his friends and patients.

A Conservative in politics, Dr. Graham was president of the County of Peel Liberal-Conservative Association in 1914-15. He is a member of the United Church. In his connection with Peel Masonic Lodge No. 468, he sat in the Worshipful Master's chair in 1911, and values very highly a beautiful jewel presented as a memento of his occupancy of that office. He is also a member of the Canadian Order of Foresters, and of the Orange Order.

DR. JOHN GRAHAM - 3

In 1910 Dr. Graham married Miss Alice Carter, a graduate nurse of Grace Hospital, and they have two fine young sons, Duncan, 14 years of age, who is now a student at Trinity College School, Port Hope, and Donald, 11 years, now in the entrance class in Bolton public school.

Obituary

Catharine Graham

The death occurred suddenly on Saturday at her home at Belwood of Miss Catharine Graham, after a short illness. Her sudden death came as a surprise to her friends in Bolton, where she lived at intervals, with her brother, Dr. J. Graham, the only surviving member of the family. Deceased was a member of the United Church.
